Impure Blood in Spring.

This is the almost universal experience. Diminished perspiration during winter, rich foods and close confinement indoors are some of the causes. A good Spring Medicine, like Hood's Sarsaparilla, is absolutely necessary to purify the blood and put the system in a healthy condition at this season.

Hood's Pills are the best family cathartic and liver tonic. Gentle, reliable, sure.

The Supreme Court by Justice Whiting renders a unanimous opinion overruling the exceptions of the defendant in Pabia vs. John Maguil, an action to recover moneys upon a claim for services, work and labor performed, also for money had and received. A verdict was given by a jury for plaintiff, whose claims had arisen from her living with defendant as his mistress. Defendant's exceptions to the verdict were on the grounds of illegality of contract. The Supreme Court finds that defendant has no right to make this plea now, when he had not specially pleaded those grounds in his answer to the complaint. Dickey for plaintiff; Neumann for defendant.

The Last Car.

The last cars of the King street line going to Waikiki and Palama pass the Anchor Saloon. The cleverest mixologists in the city are there always to put you up anything you may desire. Drop in and take a drop before you take the car. The celebrated Seattle beer is to be had here on draught. A full line of liquors including John Dewar's Scotch, O. P. S., etc., always on hand. The most exacting and varied demands can be satisfied. The Anchor Saloon is here to please its patrons.

Clay

is put into "cheap" baking powder to fill up the can; alum to raise the dough.

Alum is bad for the insides, but the manufacturer doesn't mean you any harm,—he just wants to get rich.
